

Will you state whether or not Carrie Lochner died before William H. Burrier?

Yes, a number of years. And next, Oda Filler, a sister, a widow, and Darwin D. Burrier, a brother, single.

Does that constitute the brothers and sisters?

Yes.

Do you know Mildred's age?

Not definitely, but she is going to high school.

Which of these heirs are minors?

Mildred is the only one I know of.

Mr. Monath, at the time of Mr. Burrier's death what property did he own, to your knowledge?

To my knowledge he owned those two farms and one in Charles County. If he had any more, I don't know anything about that.

I hand you certified copy of deed marked Exhibit No. 1, dated April 1, 1912, from Calvin C. Zimmerman, conveying a parcel of land containing 148 acres, 1 rood and 9 perches. Would you say that this is one of the properties he owned at the time of his death?

Yes sir, I would recognize that as the farm Ed. Lochner lives on today.

I hand you certified copy of deed, marked Exhibit No. 2, being a deed from the County Commissioners of Frederick County to William H. Burrier, dated April 1, 1919, and conveying what is known as the toll house. Would you say whether or not that is one of the parcels he owned at the time of his death?

Yes. The reason I did not mention that before, I thought it was a part and parcel of the farm on which he died.

I hand you certified copy of deed, marked Exhibit No. 3, conveying 153 acres, 2 roods and 3 3/4 perches, from Charles S. Houck and wife, to William H. Burrier. Would you identify that as part of the real estate Mr. Burrier owned at the time of his death?

I would recognize that as the farm upon which he died. Of
